Our relationship to God? and the big one - Why are we here? Bob Garrity was blessed with a profound transcendental experience as a young man which led him on a 40 year path of searching, meditating and studying many of the world s great religions, philosophies and even modern physics. He has distilled what he has learned on this journey into straight forward explanations which show us all that there are in fact answers to these big questions. Answers that are simple yet profound and when fully understood will transform your life. This is a concise explanation of many spiritual concepts. A fresh take on many of the mysteries of life. While targeting people new to spiritual seeking it also will give experienced seekers an interesting perspective on these important questions.
