SEVEN DEADLY SINS: UNDERSTANDING THEIR ORIGINS AND HOW YOU CAN TURN VICES INTO VIRTUES (PAPERBACK)

[DOWNLOAD](#)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The Seven Deadly Sins - What They Are And How To Avoid Them Turning your vices into virtues can be done if you know how The Seven Deadly Sins have been with us since man and woman fell from grace. Pride, lust, gluttony, anger, envy, sloth and greed - as flawed creatures we are all susceptible to their temptations. What can be done about this? The Seven Deadly Sins explores the roots of these all too human afflictions and suggests possible courses of action in order to deal with them. What's more, when properly understood, these sins can be channeled to produce positive outcomes such as: Using anger from moral injustices to right social wrongsTaking a break (sloth) in order to boost productivityUsing envy as a tool for personal improvementControlling lust to get more out of our stable, monogamous relationshipsHowever you look at it sin has been with man since Adam first took a bite out of the apple. We can never be free of sin so long as we live in the Earthly realm. What we can do, however, is understand the roots of sin and then come up with strategies to control them. It is with this hope that I wrote this little book. If you feel you need a little help turning your vices into virtues get this book now and start your journey down a better path today!.
