Running Press Kids. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 8.9in. x 6.0in. x 0.7in. The publishing phenomenon Cathys Book redefined the way teens approach novels and set a new standard for interactivity, using the most popular kids technology to enhance the experience of reading a really good story. As a new chapter is about to unfold with the publication of the sequel, Cathys Key later this spring, the original novel is available in trade paperback. All of the supplementary items from the evidence pack are reproduced on pages in the back of the book, making this edition more accessible and portable. All of the original websites, phone numbers, and secret codes are still operational. Part romance, part thriller, part mystery, Cathys Book stands on its own beyond the interactive angle and the intense marketing campaign that made it a bestseller. Readers identify with Cathy, they read her story, listen to her phone messages, check out the websites she mentions, and they leave her messages on her MySpace. com page and on a special voicemail. Fans have even created their own videos on YouTube, demonstrating their comfort and familiarity with this level of interactivity and technology. Reviewers and awards committees have also recognized the unique phenomenon that reset the bar for engaging teen novels. Dont miss this opportunity to get caught up in Cathys world all over again! Included in the paperback edition only is a special, teaser chapter from the sequel (which publishes two months later), to whet the appetite of the thousands of readers who have gotten caught up in the web of Cathys story!
