They made her originality interesting. Mrs. Horn did not intend that they should ever go so far as to make her troublesome; and it was with a sense of this abejant authority of her aunt's that the girl asked her approval of her proposed call upon the Dryfooses. She explained as well as she could the social destitution of these opulent people, and she had of course to name Beaton as the source of her knowledge concerning them. Did Mr. Beaton suggest your calling on them? No; he rather discouraged it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
