Owner of her own financial advisory firm, enjoying all of the spoils the city has to offer, the last place she expected to go for a new client was on a ranch in the middle of Wyoming. But when her mentor calls in a favor to ask her to help out his oldest friends save their ranch called Michaels Mob, she simply can't say no. Alex was ready to help a failing business, was ready for the challenge of the mid-western countryside, but she was not ready for Clayton Michaels. An angry cowboy, and father of two, who seems hellbent on saving his ranch on his own. He got his family into quite a mess, and he's too proud to let anyone help him, let alone some big city accountant who knows nothing of life on a ranch or the ways of Wyoming. Urban passion meets country pride in this story of family, devotion, and love. Can the cowboy get out of his own way to let the city girl help him? Will the fire that ignites between these two burn bright enough to light the way to saving Michaels Mob, or will it burn it to the ground?.
