Excerpt: . PREFACE TO THE SECOND EDITION The changed form in which Hegel s lectures on the Philosophy of History are reissued, suggests the necessity of some explanation respecting the relation of this second edition both to the original materials from which the work was compiled, and to their first publication. The lamented Professor Gans, the editor of the Philosophy of History, displayed a talented ingenuity in transforming Lectures into a Book; in doing so he followed for the most part Hegel s latest deliveries of the course, because they were the most popular, and appeared most adapted to his object. He succeeded in presenting the lectures much as they were delivered in the winter of 18H; and this result might be regarded as perfectly satisfactory, if Hegel s various read ings of the course had been more uniform and concordant, if indeed they had...
