Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Brand New Book ***** Print on Demand *****.Some of us are born with silver spoons and good luck to spare while others pull the short straw. Amber s life has never been easy, her father drinks too much and her mother died when she was young. The streets of Seattle are more home to her than the house she grew up in ever could be. An exotic dancer with the heart of a ballerina, Amber steals hearts with her combination of innocence and strength. A twisted combination of dreams and nightmares, her world is a tangled web of seduction, betrayal, power and lies. There is a power growing within her that threatens to consume her, and some are willing to kill to control it. Her connection to ancient mysteries and modern monsters is a tiny tangled thread she must follow in order to survive. There is no rest for the wicked and people around her are dying to find out what the prophecy of the blood lines really means. Is Amber an angel sent to save the world from the end of days, or the catalyst that will bring on the destruction of us all? The first in the Blood Heritage Trilogy: Awakening will open your mind and tantalize your senses. This erotic exploration of the supernatural, spiritual and seductive will leave you breathless.
