When the temporary department chairman orders her to spend the weekend with him or not earn her Ph.D., she takes action. It's a big mistake. Marching into Andrew Silversmith's office to file a complaint, she falls under the spell of the most dangerous man to her career and her heart. The witty administrator loves to debate as much as she does and even brings her favorite food, chocolate. Should she trust him and surrender to his romantic kisses? Andrew Silversmith is mired in the bureaucratic red tape of solving the university's mismanagement. Not only is Daphne Rivers the key to unraveling the scandals plaguing the institution, she's the breath of fresh air he has been looking for in a wife. He intends to protect her while he solves the university's problems and to marry her in the process. Will his sense of duty allow him enough time to romance the bright, engaging sweetheart? Andrew's straightforward plan meets obstacle after obstacle. After a drive-by shooting and an ambush on Daphne, a hasty wedding appears to be the best solution. Daphne's new status as Mrs. Andrew Silversmith escalates the suspense. Can they build a strong bond of trust and love while they struggle to stay alive?
