# POWER AND NURSING PRACTICE (SOCIOLOGY AND NURSING PRACTICE)

Palgrave Macmillan, UK, 1999. Softcover. Book Condition: New. First Edition. Available Now. Book Description: Nursing is not a powerful profession yet nurses can have considerable power over those they care for. In a changing health service, power relationships between different professionals and clients may undergo significant changes. To empower either themselves or their clients, nurses must be able to understand the dynamics and nature of power relationships within society.: Taking a sociological perspective, this book introduces readers to methods of...

*This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Keanu Johns**

*This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.*
