Without deigning to bestow further words, or to wait for any answer, the savage cast his rifle into the hollow of his arm, and moved silently through the encampment towards the woods where his own tribe was known to lie. Every few yards as he proceeded he was challenged by the sentinels; but he stalked sullenly onward, utterly disregarding the summons of the soldiers, who only spared his life because they knew the air and tread no less than the obstinate daring of an Indian. Montcalm lingered long and melancholy on the strand, where he had been left by his companion, brooding deeply on the temper which his ungovernable ally had just discovered. Already had his fair fame been tarnished by one horrid scene, and in circumstances fearfully resembling those under which he now found himself. As he mused he became keenly sensible of the deep responsibility they asname, who disregard the means to attain their end, and of all the danger of setting in motion an engine which it exceeds human power to control. Then shaking off a train of reflections that he accounted a weakness in such a moment of triumph, he retraced his steps towards his tent, giving the order as he passed, to make the signal that should arouse the army from its slumbers. The first tap of the French drums was echoed from the bosom of the fort, and presently the valley was filled with the strains of...
