Createspace, United States, 2010. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If Articulate Studio is one of the easiest-to-use e-learning tools on the market, shouldn't a book about it be just as easy to use? The E-Learning Uncovered series is designed to give you the maximum amount of information in the minimum amount of time. You'll learn about every check box, every menu, and every option in Presenter, Quizmaker, Engage, and Video Encoder. But we don't just tell you HOW to check a check box (we figure you know how to do that), we also tell you WHY you might or might not want to. Brand new users will walk step-by-step through every aspect of creating great e-learning. Intermediate users will benefit from the special tips and insider secrets that let you do more and save time. Look for: Design Tips: instructional design, graphic design, and usability tips that give you insight on how to implement the different features of the software. Power Tips: advanced tips and secrets that can help you take your production to the next level. Time Savers: software shortcuts and ways to...
