## GOTHIC CHARM SCHOOL: AN ESSENTIAL GUIDE FOR GOTHS AND THOSE WHO LOVE THEM

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Gothic Charm School: An Essential Guide for Goths and Those Who Love Them, Jillian Venters, Goth has become a permanent fixture in mainstream culture, but there are a lot of misconceptions about the people who choose to embrace the lifestyle. "Gothic Charm School" is the ultimate, fully-illustrated handbook for day-to-day Gothic living and an 'insider's look' at the subculture for people who are curious about, but not necessarily part of the subculture. Jillian Venters, aka 'The Lady of the Manners', was a fairly spooky and morbid child, with parents who never objected to her eccentric taste in clothing. Her father raised her to be his revenge upon the universe, while her mother rolled her eyes a lot and frequently had an air of amused patience. When the Lady of the Manners discovered the existence of the whole Gothic subculture, she clapped her hands with glee. Eventually the Lady of the Manners came to realise that excellent clothes were not, contrary to popular opinion, a substitute for excellent manners, and that being a Black-Clad-Freak didn't have to mean being depressed and snarly. (Witty, sarcastic, and possibly a touch cynical, yes. Mean-spirited, sullen, and rude, no.) Since then, the Lady of the Manners has spent a not-inconsiderable amount of time trying to gently persuade others in her chosen subculture that being Goth and being polite is much, much more subversive than just wearing black t-shirts with 'edgy' sayings on them.
