Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 346 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. **Rocker-in-self-exile Blar Umlaut** spots an enchanting goth princess in a snowstorm. The chain of events that follow lead to a revival of his career, a new band, romance, adventure, and dark hilarity with the trio of women he befriends. The **Lost Girls** need a bootstrap to break into the music business. Blar isn't certain whether he's helping because he's smitten or because it would be a crime to let their outstanding talent go unnoticed. Being merely human, it's a lot of both. **It Really IS Rocket Science . . .** after all. Blar is waking up after a decade of melancholy over screwing up his first band and first love. **Tsika**, goth bass player, has her own goals and priorities in band and life. **Kpau**, drummer and wild breeze, wants life to be a roller coaster. **Glycerin**, lead guitarist, is an enigmatic mystery even to her closest friend. Set in **Portland, Oregon** initially and eventually leading to all parts of the globe; grounded in the modern music business; the story is a dark comedy about misfits making a musical life together and reflects that life is funny, tragic, wonderful, scary . . . sometimes all in the same moment. This is the first volume of a series following the life, adventures, romances, and antics of the eccentric and quirky members of a rock band. This item ships from **La Vergne, TN**. Paperback.
