Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In putting forth another work, the Author is anxious to say a few words on the design of these stories; not with a view to obviate criticism, but in hopes of pointing to the moral, which has been thought not sufficiently evident, perhaps because it has been desired to convey, rather than directly inculcate it. Throughout these tales the plan has been to present a picture of ordinary life, with its small daily events, its pleasures, and its trials, so as to draw out its capabilities of being turned to the best account. Great events, such as befall only a few, are thus excluded, and in the hope of helping to present a clue, by example, to the perplexities of daily life, the incidents, which render a story exciting, have been sacrificed, and the attempt has been to make the interest of the books depend on character painting.
