Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Report of a Committee of the General Assembly of the Presbyterian Church: Exhibiting the Plan of a Theological Seminary The following Plan has been draughted in obedience to an order of the General Assembly. The committee have presumed, after some hesitation, to print it, before it has been read to the Assembly. The motives which have influenced them to this measure, are, that the members of the Presbyterian Church might be more fully and distinctly apprized of the general outline of that plan of theological instruction, for the formation of which they will be called on to contribute; and that the ministers and elders of that Church, who are to form the next General Assembly, may have the more lime to mature their thoughts in regard to the important decisions which they will then be called to form. Persuaded that they will thus promote the real wishes of the Assembly, and the interests of the Church, they have ventured to pursue a course which they are aware is not perfectly regular, and confide for their justification in the candour of the venerable Body to whom they are to report. It will, however, be distinctly recollected, that not a single section of the following plan is to be considered in any other light than as a mere proposition, the expediency of which is submitted to consideration; and which the Assembly are, of course, at liberty to reject.
