I WISH I CAN: INSPIRATION COMES FROM WITHIN, INFINITY AND BEYOND. (PAPERBACK)

Partridge Publishing, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a collection of connections captured by those eyes of perception, whose reality changed that very day he decided to quit smoking cigarettes. He started smoking when he was in high school; since then smoking became his most sought-after addiction. He smoked day in and day out, but one fine day out of the blue moon, he thought, Hey! What if I quit smoking for a few days? He set course for this journey of fifteen days, where he recorded every single day of his feelings in a diary. All his withdrawal symptoms, all his divergent emotions, all his passion, his incentive of inspiration from God, love, compassion, and observation stored in that Pandora s box of perspiration, where connectivity is established within the beauty and association is amongst that very beauty and this diary. This diary worked as a charm for him, an ardent smoker once, who is now on his road to redemption. Not only smoking, but now his very perspective toward life has taken a turn; all he can see and visualize on the other side is happiness and happiness alone. That guy is me, Tarun Krishna. This is my book, I Wish I Can.
