

Warren Buffetts 3 Favorite Books: A Guide to the Intelligent Investor, Security Analysis, and the Wealth of Nations

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

WARREN BUFFETTS 3 FAVORITE BOOKS: A GUIDE TO THE INTELLIGENT INVESTOR, SECURITY ANALYSIS, AND THE WEALTH OF NATIONS

Pylon Publishing. Paperback. Book Condition: New. Paperback. 182 pages. If you are concerned about the quality of this book or its video content, all potentially customers are highly encouraged to Look Inside the book or visit BuffettsBooks.com before deciding on your purchase. This book is NOT: This is NOT a copy of The Intelligent Investor, Security Analysis, and The Wealth of Nations. Those books are huge (1,940 pages combined) and sometimes difficult to understand. This book is concise (176 pages - with 6 pages for notes), it explains the important information found in those books, and it has easy to understand video lessons that accompany every chapter. This is NOT a get rich quick book. The advice demonstrates how Warren Buffett truly thinks and how he accumulated billions over a lifetime - not 3 years. This book does NOT provide a thorough overview of content found in The Wealth of Nations. The authors sole purpose for including a small section (less than three pages) in this book was to discuss Adams Smith true impact on Warren Buffett as a philanthropist. This book IS: Completely interactive with over 10 hours of video content. A starting point for amateur and intermediate investors to finally understand the content found in The Intelligent Investor and Security Analysis. Content pertaining to The Wealth of Nations is short and only added to highlight the importance of philanthropy. Easy to understand, yet covers complex topics for stocks, bonds, and preferred shares. Did you know Warren Buffett, the worlds wealthiest stock investor, is quoted as saying three books have shaped his investment philosophy For more than half a century, he used the information provided in these three books to go from nothing - to a massive 39 billion net worth. The three books that gave him this wisdom are: The Wealth of Nations (pub. 1776) by Adam Smith, Security Analysis (pub. 1934) by Benjamin...
