Sketchup for Interior Design Revisited: Acquiring Intermediate Skills (Paperback)

By Mrs Adriana Granados, Adriana Granados

Createspace, United States, 2013. Paperback. Book Condition: New. 3rd. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Good visual communication is when your ideas can be understood by your audience, and this is especially important for interior designers. Sketchup 2013 is a powerful tool that helps interior designers who work every day with materials, colors, textures, and lights. Much has been written for using SketchUp in the building shell and its relationship to the environment or the site. Less help has been provided to interior designers who specialize in indoor spaces. Students need to know the available tools and how to apply them in specific cases to this particular discipline. Fundamental concepts, ideas on how to create objects and interior spaces, tips, plugins and practical exercises using Sketchup 2013 are what this book offers. This hands-on book follows the same format as the previous series - step-by-step instructions. It is a compendium of practical exercises using Sketchup 2013 that led students to use the tool from the perspective of the interior designer. A series of four books offer separate courses progressing in complexity. At the end of every course you will find practical exercises...
