*It is one of the best books. Indeed, it really is a page-turner, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Parents lash out against the Bradleys with bitter accusations of fracturing their families and teaching their children to hate them. Hiding in plain sight can only go so far when a cartel drug lord, an educational authority, and someone who insists on documenting her own truth prepare for a final showdown. Cherub Bradley s long-anticipated arrival sparks tender and terrifying consequences. Joshua Bradley s call to face the lions leads to fiery confrontations no one expected. Keith determines that it s time for them to stop running, and to make their enemies move instead. Easier said than done, if one distraught parent s confession is true. The full force of the US and Mexican governments might rise up in answer to the cries of a cult putting children in danger.
